

This architectural floor plan shows a building layout with a central corridor system. The plan includes several rooms of varying sizes, a central staircase, and a large open area. The layout is symmetrical, with rooms arranged on both sides of the central corridor. The drawing uses black lines on a white background to represent walls, doors, and furniture.

This architectural floor plan depicts a symmetrical building layout. A central vertical corridor provides access to various rooms. On the left side, there is a large open area, possibly a courtyard or a large hall, and a smaller room. On the right side, there is a large open area, a smaller room, and a staircase. The plan also shows several smaller rooms and a central area with a grid pattern, likely representing a staircase or a central hall. The building is surrounded by a textured area, possibly representing a lawn or a parking lot.
